LETTER FROM HAZEL

Dear friends,

And so, we begin another new year. I wonder what 2022 will bring. I think that there are many reasons to be cheerful at the start of this new year, which may seem like a strange thing for me to say while writing this in isolation because I have covid. The reason why I say there are reasons to be cheerful are because we are now beginning to learn to live with covid in the same way that we have learned to live with the flu and colds. We can also give thanks that the vaccines are protecting us from having severe forms of this disease. And so, it means that we can have much to look forward to this year – we can book holidays and arrange celebrations without too much risk of them being cancelled.

At the start of each new year, we have themes in our services, driven by the readings, one of which is the wedding at Cana, where Jesus turns water into wine (John 2:1-11). This is Jesus' first miracle and so it is about new beginnings for him. Interestingly Jesus initially says, "my time has not yet come", suggesting that he might be thinking it's too early for him to start in ministry. I wonder if any of you are thinking it's too early to begin going out and about and socialising with others. Jesus found that God provided all that he needed when he trusted in him, with great abundance. And yes, we need to take care to keep us all safe, but I think that we too will gain whatever we need for our interactions with others when we trust in God and plan for events that we can look forward to in a way that was not possible last year. And these interactions might be so much more abundant now that we have been living without them for such a long time.

May God pour out an abundance in your lives this year.

Hazel

Lent Groups

The Beatitudes have been called the most powerful and beautiful teaching that Jesus gave. The text is found at the beginning of The Sermon on the Mount at Matthew 5:1-12. It was a reading that we had at our wedding, because we knew it to be a pattern for how to have a good life; the best life; the life God intended for you to live. However, I'm not sure that I've really lived up to this in my almost 30 years of marriage.

Why are The Beatitudes so difficult to live out? Maybe, it's because we've forgotten what they are all about. We regularly use Jesus' teaching on prayer - it's called the Lord's Prayer. We know what we believe, as we often say the Creed in our services and we take part in communion, remembering the forgiveness and promise of eternal life given by Jesus. But do we have anything in our services on how to live life today? This is arguably the most important aspect of all of Jesus' teaching and yet it's not included regularly in our liturgy. I think that this is something to do with the fact that the Beatitudes echo the highest ideals of Jesus' teachings on spirituality and compassion, and they are an uncomfortable way of looking at life today. In summary, they call us to:

- spiritual renewal,
- lament for the injustices in the world,
- be prepared to lay aside our status and privilege to enrich others,
- stand up for what is right,
- be honest and real in our relationships, forgiving and accepting, always seeking peace and wholeness.

Are these all things that you are committed to in life?

The Beatitudes are sometimes called the Ten Commandments of the New Testament, as they present a new set of ideals that focus on love and humility, rather than force and exaction. But because they are not set out as clear rules to be followed, they can be difficult to put into practice.

This is all very challenging and following the teaching will mean standing out from the crowd. Christian faith is not a hobby, but a way of life. As challenging as this may be, however, it is a good life that the Beatitudes lead us to, because this is what it means to live as a child of God's kingdom. And that has to be somewhere we'd like to be.

I pray that this year we will take steps toward living more of this life by looking at The Beatitudes in our Lent groups. We will explore what each of the Beatitudes mean and how we might live this kind of life today. If you are not normally part of a home group, do be in touch with a leader to join in for the period of Lent which starts on Wednesday 2nd March this year.

Here are the groups that will be running:

- Monday evenings – contact Richard on 020 8289 2432 or richard.ford73@ntlworld.com
- Wednesday evenings – contact Nicky on 020 8916 9855 or nicholanightingale@hotmail.co.uk
- Thursday mornings – contact Debbie on 020 8777 7834 or debadams64@icloud.com
- Friday mornings – contact Ken on 020 8777 1850 or kennethabryan@aol.com

You can swap from one group to another so that you don't miss a week if you have something else planned for the normal time when the group is running. I do hope that you will be able to join a group, so that we can see this as a topic that we all try to get to grips with together.

Ash Wednesday

Services

churches
together
in West Wickham

Over the centuries the tradition has developed of burning palm crosses saved from the previous year to use in a service on Ash Wednesday when they are applied to the forehead of those worshippers who choose to receive them in the sign of the cross.

The practice is strongest in the Catholic and Anglican traditions, though several free churches also observe Ash Wednesday, being in part mindful of the Biblical basis of expressing repentance found in the Old and New Testaments. The ashes serve as a reminder of the failings of humanity, both personal and corporate, and the cross a reminder of God's loving, forgiving, salvation.

This year Churches Together in West Wickham are holding two such services on Ash Wednesday, 2nd March:

- A morning service at 10:45am at St Francis' conducted by Revd Hazel O'Sullivan.
- An evening service at 8pm at West Wickham Methodist Church conducted by Deacon Laura MacBean.

The two services will follow the same pattern and have similar content, both include Holy Communion led by the host minister, a sermon given by Revd Richard Ford and the act of ashing.

PARISH MATTERS

St. Mary`s Christmas Market ***Saturday, 27th November 2021***

Arranging the Market this year was a challenge! We had to take the Covid guidelines into consideration - social distancing, having a well-ventilated hall and ensuring all surfaces (food utensils) were sanitised - to hold an in-person event.

To achieve this, we had to reduce the number of stalls, food had to be served on recyclable disposable tableware and for the first time in circa 50 years, the stalls which add to the Christmas atmosphere, were not erected to create more space in the hall. Stalls were also moved to create more space in the concourse area for eating.

The Secret Santa and Santa's Grotto could not go ahead as there was no ventilation in the rooms they were held in. Another casualty was the delicious hot food usually provided by the Graydon's because we couldn't have too many people in the kitchen. Instead, we used a simplified menu that allowed us to keep within the Covid guidelines.

Despite all the challenges, we managed to create a Christmassy atmosphere in the hall with the streamers, beautifully displayed goods on the red and green tablecloths and the Christmas tree standing tall on the stage!

Snow had been forecast for the day but by God's grace, the day dawned with no snow. We even had to open earlier than 10:30am as there was a queue of people waiting! Throughout the day, there

was a steady stream of people coming in and at no point did the hall feel overcrowded. It was a truly blessed day!

Thank you to everyone who generously donated their time in setting up, wrapping up hampers, helping on the day, attending and donating in kind.

We raised £4k which was due to the generous nature of both churches and our community.

We would like to say a special thank you to the following people who have 'retired' after decades of successfully running their stalls:

- Carole & Malcolm Hubbard on the Bottle Tombola
- Miriam & John Richards on the Books stall and
- Michelle & Paul Graydon providing us with delicious hot lunches.

We are looking for volunteers to take over managing and running the following:

- Bottle Tombola stall
- Kitchen - providing hot lunches
- Toys stall

Please speak to Gifty Nortey on 07813797757 or email gifty@nortey.com if you are interested and would like some further information. Also, contact Gifty if you have an idea for running a new stall at the market. Thank you.

Christmas Services

Times might be difficult, but we still made an effort to decorate the church for Christmas. A beautiful festive tree, candles and decorations around the windows and of course, the crib.

Our **Messy Christmas** was attended by thirteen children with a total of thirty-five with parents, carers and helpers. There was a lovely happy atmosphere in the hall for the activities, the story in the church followed by a meal held in family groups. We livestreamed all our services and Messy Christmas has had forty-four views.

The **Carol Service** was attended by fifty-five people, and we have had sixty-three livestream views. The collection was £105.00 which was sent to CRISIS and there were other direct payments made.

A lot of work went into the **Christingle Service** with many bags provided with all that was necessary to create a Christingle. This kept things as safe as we could make it. There were sixty people in church and another fifty-seven have watched the livestream. The collection of £175.00 was sent to the Children's Society. Other payments were made directly to them. With thanks to all who gave money for oranges, sweets and candles so that all the collection could be sent to the charity without deductions.

There were twenty-five people at the **Midnight Communion Service** and fifty-two livestream views of the service.

Thanks to all who have been involved in decorating the church, for those who were involved in any way in putting on the services for people to come into church to celebrate Christmas and for them to be able to watch on our livestream. And a big thank you to Hazel

and Richard for all their hard work during this time in changing circumstances.

Hopefully, we will be able to come together to celebrate in our usual way next Christmas.

Magazine Subscriptions

This is a reminder that the subscriptions of £3 for the magazine are due with the with this edition.

A minister was preparing to marry a local couple within a couple of weeks. At the close of the morning service, he saw them both in the congregation, and wanted to ask them to come forward, but he couldn't think of their names. So he said: "Will those wanting to get married please come to the front?"

Immediately, nine single ladies, six single men, three widows, and four widowers walked up the aisle.

Presentation of Christ in the Temple
Luke 2: v 22-“Mary and Joseph took Jesus to the temple in Jerusalem and presented him to the Lord. ” We praise you Lord for the quiet strength of Joseph, the prophetic insight of Simeon, the self-destruction of Anna, and the courage of Mary as she faced the truth that a sword would pierce her heart. May we be bearers of our Lord’s light, which lightens the world, and help us, like Simeon, to live for the Lord and depart in peace”. Amen

A Prayer for the World

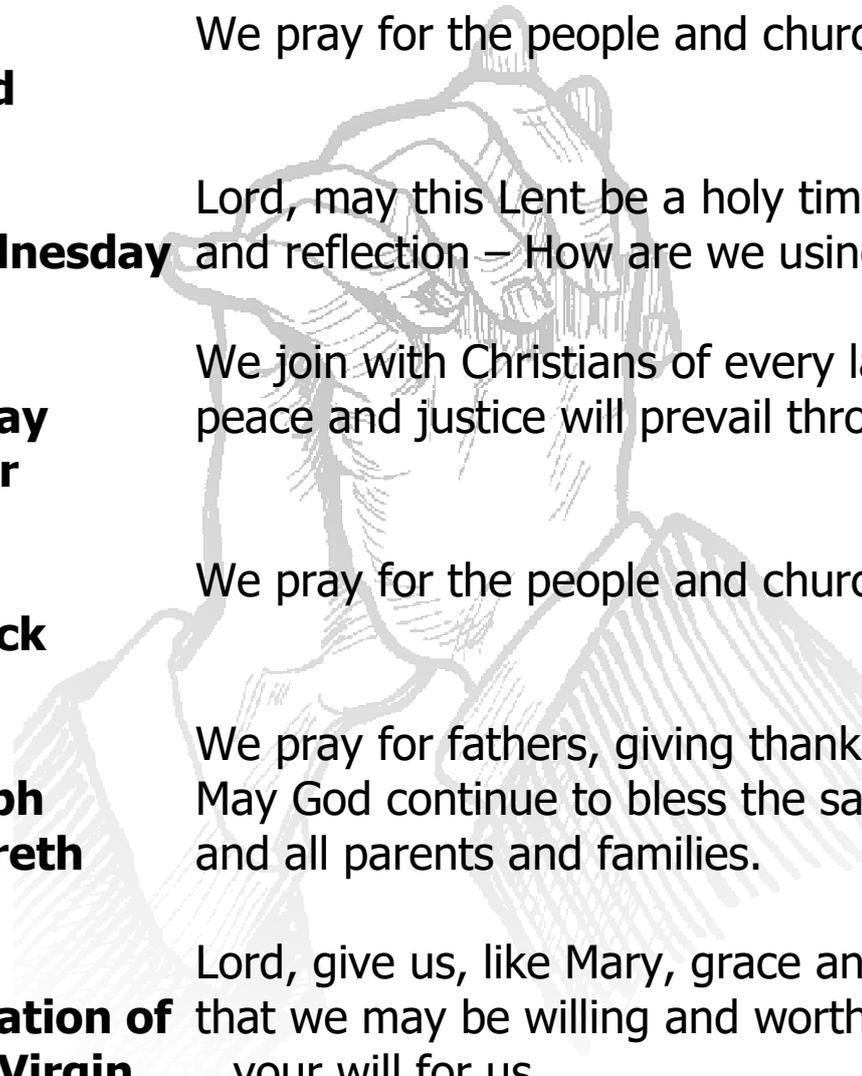

Lord God, we pray for the great powers of the world; the strong nations and governments. May their power be used properly so that the poor are protected and no one is oppressed. So many people of the world are suffering from war, crop failure or natural disaster. So many people are without a home as they seek to find a safe country or peace where they can survive. We pray especially for the people of the Yemen and Afghanistan and that Aid Agencies will be supported generously and their workers are kept safe as they face many dangers.

And ... close to home...

Father we thank you for the NHS and ask your blessing on all its staff that they may keep strong as they work to relieve the sick and suffering. We ask that you might give wisdom to politicians and other leaders as they decide on measures to contain the spread of Covid and its variants. We pray for those suffering from long Covid and give thanks for all who have recovered. Amen

The Gift of Silence

We are so busy Lord; we do not listen. The world is so noisy, Lord, we do not hear. We do not hear what your Spirit is saying to each one of us. We have been afraid of silence.

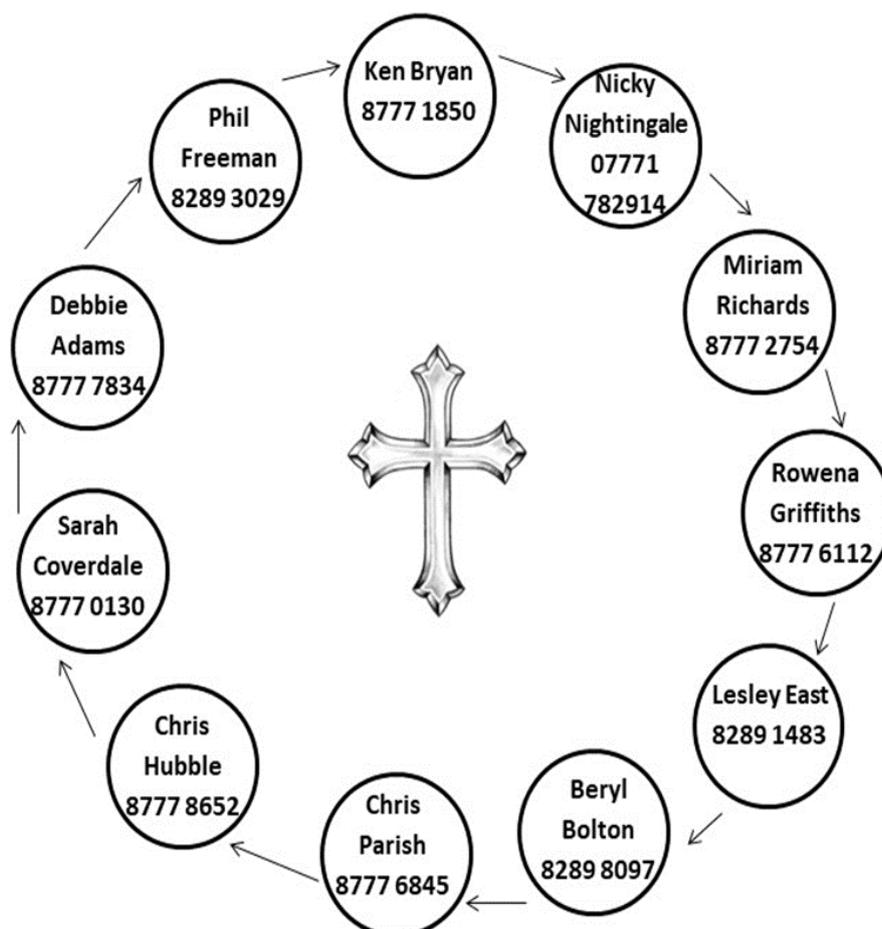

Teach us, Lord.

in West Wickham

As we come out of the pandemic, more community services are looking to improve how they serve our locality. Here are three varied opportunities to help in the community:

VOLUNTEER DRIVERS NEEDED to drive elderly Bencurtis residents to the West Wickham shops in one of the Bencurtis minibuses. We're looking for drivers who can give up one morning (or more) a week to take shoppers to Sainsbury's at 10.00 a.m. & pick them up again at 11.30 a.m. to return them home. An ideal way to serve folk in our local community! Drivers need to have a clean driving licence, to provide character references & be willing to be DBS checked. Ideally, they need to be under 70 years of age, as drivers over 70 will need to complete a DVLA driving assessment. The Friends of Glebe Housing Association/Bencurtis will cover insurance costs. School Governor Roles

Compass Academy Trust is looking to recruit local volunteer school governors within our family of schools (Marian Vian, Unicorn and Wickham Common & Oak Lodge). Local governors do not have to be specialists in education; instead, much of the role is the inquisitiveness to question and analyse; and the willingness to learn. You will be expected to get to know the school through visits, attending events and meeting the staff and students. You also need enthusiasm, commitment and a little spare time.

The local governors work with school leaders to deliver the best education for pupils at our schools and ensure they are nurtured and cared for in a safe environment. We look at a diverse range of matters - from deciding what kind of schools we want to be and thinking about how we want to get there; to setting school priorities and ensuring they are delivered. The Local Governing Body meets every term, currently virtually, to discuss these matters and in turn are accountable to the Board of Trustees. To help local governors in their role you will receive:

- Induction training – to welcome and introduce you to the role of Local Governing Body
- An ongoing programme of training.
- Support and guidance from other members of your governing board (such as a ‘buddy’)

THE TRUST ACTIVELY ENCOURAGES VOLUNTEERS FROM A BAME BACKGROUND.

If you would be interested in having an informal chat to find out more about how you can contribute to governance, please email your details to: governance@compassacademytrust.org Joyce Munro, Governance Manager, will be glad to contact you to arrange an informal conversation.

Bromley Borough Foodbank (BBF) is recruiting new Trustees

At BBF, we’ve been helping those facing food poverty in our local community for over 10 years. It’s a big job and it requires lots of volunteers in a wide variety of roles. One of those roles is as a Trustee: we have five and are looking to recruit two more. We hope that one of them might have HR experience, but don’t let that stop you applying if you have other attributes that might interest us. For instance, we could learn a lot from a Trustee who has been helped by BBF or another Foodbank.

What you would do as a Trustee:

- As a team: you would sit on our “Trustee Board”, which provides strategic direction and oversight for all BBF activities and works to ensure that BBF is properly run.
- At an individual level: you would also be asked to take responsibility for particular aspects of BBF’s operations, getting to know what is happening and providing guidance and support in those areas.
- Time commitment: the Trustee Board meets every other month, with one awayday and some training each year in addition to the AGM. The time commitment for your individual responsibilities as a Trustee would be tailored to fit your circumstances.

What we are looking for in our Trustees

- A blend of different skills and experience: we want people from different backgrounds with a wide range of talents to bring to bear in their Trustee role.
- A willingness to learn: we don’t require Trustees to have previous experience of being a trustee or to understand the legal responsibilities and liabilities it entails; we can help you learn about them and the other aspects of your role as a Trustee.
- Diversity: we would like our Trustee Board to reflect the ethnic, gender and other diversity of our clients and the staff and volunteers who work for us.
- Supportive of our ethos: we require each of our Trustees to be supportive of our collective Trustee Board responsibility to maintain BBF's Christian identity and ethos.
- Commitment: to be a Trustee you need to be committed to BBF and its aims, to devote the necessary time and effort to fulfil your responsibilities and to work well as part of a cheerful and dynamic team.

Interested? please contact Simon Lees, Chair of Trustees, at accounts@bromleyborough.foodbank.org.uk or on 07768 175377.

Croydon: Central Zimbabwe parish links Update from Zimbabwe – January 2022

The celebration of the 40th Anniversary of the Diocese of Central Zimbabwe had to be postponed by a couple of months, but on 27th November over 2,000 people attended a memorable event in Kwekwe. Here are pictures from the Mother's Union Facebook page:

There was a virtual presence at this event from the Croydon-Zimbabwe Link in the form of a pre-recorded video message. This was greatly valued by those in Zimbabwe as it showed solidarity and gave great encouragement. \$36,000 was raised through various events associated with the anniversary celebrations and this will be used to construct diocesan offices.

Thanks are being given to God as the rains have been very good (although they arrived late). It is hoped that there will be a good harvest.

There is much political activity as there are by-elections that happened in December, and more are coming up in late March.

The virus is now subsiding. Not many are getting sick, and the effects are not devastating. Enough doses of the vaccination are available for everyone to have it, but there is still some hesitancy. 3 million have been vaccinated (nationally 45% have had one dose and 34% two doses) and a booster programme has now started. Bishop Ignatius is reported to be going onto the radio to encourage the uptake of vaccinations.

There is now no limit on the number who are allowed to meet in church, as long as they are vaccinated. Unvaccinated people are forbidden by law from gathering with others. Church income has gone up as a result, but not to pre-Covid levels, as people's incomes have reduced.

Schools have remained closed in January to contain infections, but now that daily deaths are in single figures, it is hoped that there will be more opening up soon. The public have responded well to the reduction in the regulations.

On diocesan projects, the following progress has been made:

- A grant of \$300,000 has been approved for the solar plant at St. Patrick's, and when the project is complete, St. Patrick's will be able to sell electricity to the government where there is excess generated above its own requirements.
- The insurance partnership project with the communications company Econet to set up a self-managed

insurance scheme has taken off and the diocese is now selling insurance as an agent on a commission.

- Horticultural projects last year, especially around garlic and tomatoes, have made the diocese and churches less dependent on the offerings they receive, and it is hoped that this will continue this year.

The Mothers Union in Zimbabwe have been meeting virtually recently, but back in November, their president, Flora Makumbe (wife of Bishop Ignatius) and other members of a team have visited many of the churches in the diocese to advocate for breaking the silence against Gender Based Violence.

The MU recently made donations of groceries to current and retired priests. Planning is now happening for meetings this year. Here is a link to their Facebook page where you can see their news: www.facebook.com/groups/171212804989295

Rehema Trust - Update

Rehema Trust is a charity supported by St Mary's church, providing nursery and primary education in rural West Kenya. We have a link with a trustee, Malcolm Leighton, brother-in-law of the late Jan Mason, whose sister provided the name for the school supported. Malcolm has written the following donor update:

Covid-19 continues to dominate our news coverage. Most people living in rural West Kenya continue to fight Covid-19 without the protection of a vaccination programme, as this reaches only a small percentage of the population. We have employed an additional security guard to control access to and from the school site, reconfigured some of the buildings and supplied facemasks, hand sanitiser, handwashing stations etc., meaning that Barbara Academy remains a Covid-secure environment with no pupils or staff infected to date (December 2021).

I am especially pleased to report that the reputation of Barbara Academy has continued to grow, with strong academic achievement in recent pupil assessments. Pupil numbers have increased from 83 in 2020 to 110 currently and now we have demand for places from families further afield, who are able and willing to pay fees plus the cost of bus transport. Your invaluable support continues to allow us to educate local children whose families are unable to pay even the modest fees in place. These new parents are active in seeking to support the school through 'payment in kind'.

The continued expansion of Barbara Academy provides us with the challenge of constructing additional classrooms and funding other costs (additional teachers, classroom resources, textbooks etc.). In recent weeks, we have responded to further funding of IT equipment for pupils, as IT skills impact all aspects of the curriculum, as well as for the replacement of old laptop computers, used primarily for vital administration and record-keeping.

More than five years since Barbara died, your support continues to encourage Edward Wata, the staff at Barbara Academy, myself, and my fellow trustees, in our efforts to respond to the critical needs of this very poor local community in rural West Kenya. Together we are helping these children achieve their full potential and we already know that we are making a real difference to many young lives.

The minister came home after church one Sunday morning looking very satisfied.

"Many people in church?" asked his wife, bustling around the kitchen.

"Yes, and we had at least three strangers, though I didn't see them."

"Then how do you know?"

"Because there were three £10 notes in the collection plate."

WE ARE ALL GUILTY

Well, I am. At times! Of complacency of leaving it to others to sort out!

BUT we do have a duty when it comes to the safeguarding of children **OR** vulnerable adults in the church.

There is a manual in our church vestibule entitled, '*A Safe Church*', which is for reference by anyone and acts as a guide to safeguarding matters.

If you do have a genuine concern about such a matter, then you may wish to speak to Kay Mussard, our Safeguarding Officer or one of the following: our Vicar, Rev. Hazel O'Sullivan or to one of the churchwardens.

HAVE YOU OR WILL YOU BE MAKING A WILL?

If so, please consider leaving a legacy to St. Marys.

Legacies we have had in the past have been a great blessing and encouragement and enabled us to carry out important work. It is helpful if the bequest is given without conditions so the PCC can use the money as they feel appropriate.

Please give this prayerful consideration.

To make a Will is one of the kindest things you can do so your wishes are known.
